

Artwork Mural Competition

To help change the way our young drivers think about road safety, we are trialing a new customer service experience at the '**Driver Assessment Centre**' (DAC) at Carseldine.

As the centre is targeted towards young people, we're asking for help to decorate the '**DAC**' with artwork messages showing some of the most common driver distractions - an issue that kills and seriously injures new drivers (read up on top driver distractions at 'Join the Drive' on TMR website).
