

BYOD Checklist for 2018

Contact: byodsupport@corindashs.eq.edu.au

The ICT Team will be available for any BYOD technical support from 15th – 19th January 8AM to 3PM

Step 1 – Purchase/lease Bring Your Own Device (BYOD) laptop

We recommend purchasing Accidental Damage Protection (ADP).

A list of our preferred vendors can be found on [our website](#).

Step 2 – Make sure you have the latest computer security updates

Windows: <https://support.microsoft.com/en-us/help/17154/windows-10-keep-your-pc-up-to-date>

Apple: <https://support.apple.com/en-au/HT201541>

Step 3 – Students need to have an Administrator Account on their laptop

Step 4 – Make sure Anti-Virus Protection is installed and updated

Window users can download [Windows Defender](#).

Step 5 – Download the Corinda SHS BYOx software

This is for Windows computers only and can be installed from [our website](#).

Step 6 – Installing Microsoft Office 365

Students are able to download Microsoft Office 365 for free. Instruction on how to download can be found [here](#).

Please note: you need to have your student's eq email address active.
