

Is there room in your heart for one more?

Can you provide a safe, loving and stable environment for vulnerable, at-risk children?

Help build a brighter future for children in Out of Home Care by sharing your love, guidance and support.

Be **the hero** in a child's life - Hold their hand as they take their own steps forward.

When you become a foster carer you can -:

- Specify the length and type of care you wish to provide.
- Choose the age/gender/level of need of child/ren that best fit your family.
- Offer respite for another carer's child/ren.
- Look after a child for an emergency period.
- Have a child live with you and your family for the long term.
- While it is not for everyone, we welcome carers from all walks of life- Married, single, same sex, and from all backgrounds, religions and cultures.

Inala Community House are committed to supporting foster carers through the challenges and the rewards. Our staff have first hand experience to support you on your journey.
