Celebrating All Abilities

Supporting people with Spina Bifida and Hydrocephalus, the most frequently occurring, permanently disabling birth defect

WHEELANDWALK.COM.AU

2019 SSKB Wheel & Walk Fun Run Celebrating All Abilities

Thank you for supporting the 2019 SSKB Wheel & Walk Fun Run and Community Day

Our Objectives

- Raise awareness for Spina Bifida and Hydrocephalus, the most frequently occurring, permanently disabling birth defect.
- Fundraise for unfunded and essential community programs. With no cure to spina bifida, lifelong support is required.
- To bring our community together and celebrate our incredible people

Date: Sunday 21 July 2019

Location: Orleigh Park, 68 Hill End Terrace, West End

Wheel & Walk Event Program:

- Wheel & Walk Community Day – Commencing 8.30am
 - Live Performing Artists
 - Inclusive / family activities and competitions
 - Sports & Relaxation Massages
 - BBQ by Southern Cross Association
- Wheel & Walk 5km Run Fun – Commencing 10.30am
 - Inclusive for all abilities
 - Wheel, Walk, Run and Walk your Dog

About SBH Queensland

Established in 1969, this year SBH Queensland has been supporting people with spina bifida and hydrocephalus for 50 years.

SBH Queensland receives no government funding for core services such as early intervention, therapy programs, independence camps and work/school readiness programs.

We rely on community fundraising and corporate support to provide these essential services. On behalf of our community, thank you for your support.
