

OCD Youth Support Group South West Brisbane

Do you live with OCD?

Obsessive Compulsive Disorder (OCD) is a condition in which a person develops intrusive thoughts, images or impulses (obsessions), usually coupled with compulsive behaviours. OCD is a treatable disorder that can affect both males and females of all ages. It is the fourth most common mental health disorder, and is diagnosed as often as diabetes or asthma.

You're Invited!

The aim of the Brisbane OCD Youth Support Group (South West Brisbane) is to provide peer-based support and connection for young people with OCD, their families, friends and interested others. Cost is \$3.00pp.

Where?

The Sherwood Neighbourhood Centre is conveniently situated next to the Sherwood shopping centre at 38 Thallon Street and is a short walk from the Sherwood Railway Station.

When?

Meetings are at Sherwood Neighbourhood Centre on the first Friday of every month from 4:00 - 5:30pm. Meetings are always attended by an adult and RSVP's are essential: (community@sherwoodnc.org).

*Next Meeting:
Friday 6th
December
4:00pm*

Cost?
