

# MICHAEL GOODE

## DEPUTY PRINCIPAL - YEAR 7 / 9

**How long have you worked in education?**

9 years.

**What made you want to be a teacher?**

I wanted to help others achieve success. I also wanted my students to get as excited about Science as I am! Making sure students enjoy coming to school and feel safe and happy is my goal here at Corinda.

**What is the most important lesson a teacher taught you when you were a student?**

My Year 7 teacher, Mr Prasser, taught me to always have fun with whatever I did in life. He would always talk about how much he loved being a teacher, and regularly told us to find a career that we enjoyed going to every day.

**What has impressed you most about Corinda State High School?**

There has been lots of things that I have been impressed by at Corinda!  
The students are lucky to have such incredible staff at their school, and the students are so polite and respectful. I've also been impressed at how well everyone follows the uniform policy!
